

Hey - is it you?

Caressant Care Harriston is Hiring

Check out the “deets”

Caressant Care is seeking Student Dietary Aides to join our amazing team of professionals at our 89-bed long term care home in Harriston, Ontario.

Guided by the Food and Nutrition Manager, you will help with preparing and providing high quality meals to our Residents while keeping things neat and clean in the kitchen.

Do you have what it takes? Check it.

1. Responsible and a be-on-time individual
2. Must have good hygiene
3. Experience in food handling and preparation would be cool
4. You gotta like chilling with elderly folks like your grandma and grandpa
5. Good communication skills (able to read and write in the English language)
6. Completion of the Food Safety Handler Training Program is a requirement.
(No sweat we help you with that)
7. You gotta be a high school student.

These are part-time permanent positions and are a great start to your awesome career in long-term care

How much dough to start anyway?

Rate of pay is \$16.70 per hour. Terms and conditions per the Collective Agreement.
