

REMEMBER YOU MUST BE SOCIAL DISTANCING 6 FT APART, EVEN WHEN IN THE STAFF ROOM.

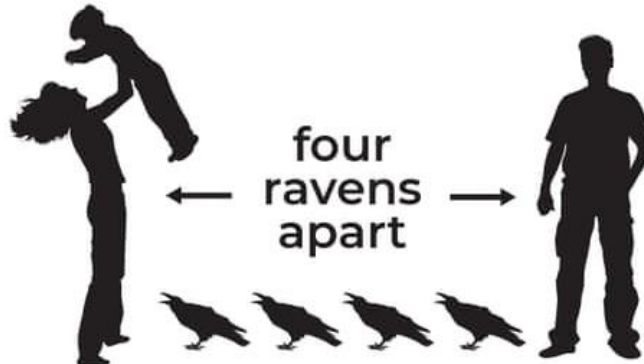

WHAT DOES THIS LOOK LIKE????

SOCIAL DISTANCING

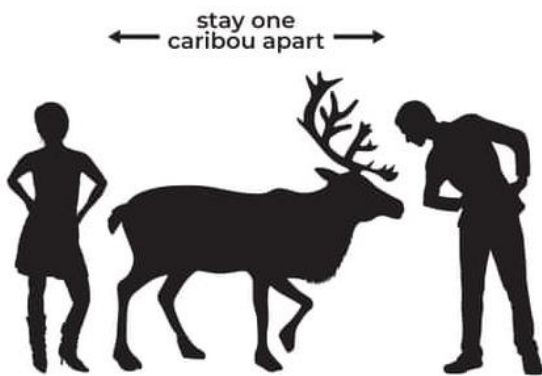

1. KEEP ONE LLAMA OF SPACE BETWEEN YOU AND OTHERS

(or 2 metres/6 feet)

Based on an average raven's body length. Note that it's very hard to get ravens to line up like this. Add extra ravens if needed to ensure a two-metre distance.

(or 2 metres/6 feet)

What's 6 feet apart?

Imagine two large dogs standing nose to tail.
